Be in the know... 👁️👁️

WATER UPDATE

Thank you to all our residents for their continued water conservation efforts! Because of your efforts, Oakley was able to reduce usage by **35.8%** during the summer months of 2021 and an additional **8.5%** for the summer of 2022. Your savings allowed the City to continue water service and maintain our required fire protection reserve.

Many of you may be thinking... **“That’s great, but what about the new well we keep hearing about?”** During this time, Oakley City Administration has been working with a group of professionals to locate, source, design, and secure financing for the new well project. This planning stage has been long and thoughtful, taking into consideration the long-term needs for growth, optimal source production, financing considerations, and technical site specifics. The location has been identified, the engineering and design is ready, and long-term financing has been secured.

The City published bidding documents for drilling companies in October and is awaiting bids. We anticipate awarding the drilling contract before year-end. Once drilling commences, we expect to drill 7 days a week, 24 hours a day until we reach the desired aquifer.

We know you are eager to see the construction phase commence - as are we!
More updates to come.

Start your Christmas Season with Oakley City

Christmas Celebration and Tree Lighting

December 2, 2022.

3:30 p.m. Reindeer Games, hot cocoa, and doughnuts. Cattlemen’s Hall.

5:00 p.m. Santa Claus will make his entrance by horse-drawn wagon and help Oakley City “light the season.”

After the lighting, Santa will be available to visit with the kids and take pictures near the big pine tree and wagon rides will be available. *In case of inclement weather, Santa will be inside City Hall.

Co-sponsored by Oakley Civic Club

Oakley City has contracted with Summit County Sheriff’s Office for a larger law enforcement presence in Oakley.

Keep the lead out of your feet 😊

October 26, 2022, The Oakley City Council motioned that they are in favor of working with Deer Meadow Enterprises LLC on the development of the city-owned property on the northside of Center Street.

This motion from City Council only provides opportunity for developer to submit a master planned development application to Oakley City. Once an application is submitted, the lengthy and thorough process will begin with Planning Commission and will be publicly noticed as appropriate.

We highly recommend that you stay informed by visiting the city’s website: www.oakleycity.com

Additionally, as we look to the future development of Oakley City Center, we would like to hear from you. What do you envision for city center and what business do you believe could be successful? Comments can be submitted to stephanie@oakleycity.com.
